

# Adherence Activity Data Sheet for Protocol 3

Last Name \_\_\_\_\_ First Name \_\_\_\_\_

School Name \_\_\_\_\_

## Plan your schedule

Put an "X" in a box to mark the time of the day you plan to take your "medicine."

	AM						PM											AM			
Drug Name	6	7	8	9	10	11	12	1	2	3	4	5	6	7	8	9	10	11	12	1	2
<b>Atripla (orange tic tac):</b> Take or discard one tablet every day at bedtime on an empty stomach.																					

## Track your adherence by recording when you take your "medicine"

Each time you take a dose, write down the time in the appropriate box for each drug. If you forget to take a dose at the scheduled time, take it as soon as you remember, unless you are scheduled to take your next dose in 12 hours or less. If so, skip the dose, and record it as missed. In either case, take the next scheduled dose at its regular time.

Drug name	Atripla (orange tic tac)
	Time drug taken
Day 1	
Day 2	
Day 3	
Day 4	
Day 5	
Day 6	
Day 7	
Day 8	
Day 9	
Day 10	

Contact your teacher or program director about how to submit your data.
